Frequently asked questions

Who is this form for?

This application form can be used by those who have completed Society-accredited postgraduate professional training in psychology, e.g. a Society-accredited Doctorate in Clinical Psychology. If you're not currently a Society member we will also assess your eligibility for Graduate membership with the Graduate Basis for Chartered membership (GBC).

If you're applying on the basis of research in psychology, teaching psychology or non-UK qualifications and experience you should use one of our alternative forms specific to these areas (available from www.bps.org.uk/chartered).

Will my details appear on your website?

Anyone admitted to Chartered membership will appear on our online List of Chartered members allowing people to check your Chartered status with the Society. The standard format is for the list to show your name and address, the form enables you to specify which address you are happy to be made public.

Should you not want any address to appear on the list please tick *No* in the Contact address field and leave the Chartered member list address field blank.

Do I have to send in proof of my qualification(s)?

You will need to provide copies (we do not require original documents) of your psychology qualifications.

Transcripts (the list of subjects and grades) are required for all undergraduate/conversion qualifications.

Translations are required for any documents not in English.

Current members should not need to resubmit documents for qualifications the Society has seen previously.

If your name differs from that on your certificates/transcripts, please provide evidence e.g. a copy of your marriage/partnership certificate, deed poll certificate, etc.

Do I need references?

References are not normally required, however we may request these should it be considered necessary.

How long does the application process take?

The average time for Chartered membership applications to be approved is around 7 working days.

How much do I need to pay?

You will need to pay the relevant subscription and any processing fees. The total amount due will vary depending on whether you are applying to join the Society, upgrade current membership and/or join a Division, member Network or both. *Full details of all of the rates and fees are on **page 4** of this document.*

We can only process applications where full payment has been made. We cannot run Direct Debit payments for applications. If you are not eligible for membership you will receive a refund of the subscription fee(s) but the application processing fee is non-refundable.

Please note: The Society's subscription year runs from January to December and future subscription payments are due in January regardless of when you first joined.

A full year's subscription is *always* required upon application. If you join between:

- **Jan – June** you will be charged the yearly rate which will all be allocated to this year's subscription.
- **Jul – Sept** you will be charged the yearly rate but half the payment will be carried forward reducing the amount due from you for the following year.
- **Oct – Dec** your full payment will be allocated to the following year.

Membership will renew automatically at the end of each calendar year unless you notify the Society in writing (email accepted) that you wish to discontinue membership. Any balance arising from a change in subscription rates will be due on 1 January immediately following your admission.

Can I also join a Member Network?

The Society has a number of Member networks to further members' professional and scientific interests. Benefits include receipt of specialised journals, discounts on registration for events, opportunities to participate in meetings, and much more. Belonging to a Member Network makes your Society membership more relevant to you and you can join as many as you like. Each Network's fee is shown on page 4; for any you chose to join their fee(s) will be added to the Society application and subscription fee required.

For further information on each Member Network please visit www.bps.org.uk/member-networks

Can I email the form to the Society?

Yes, please remember to attach your transcripts/certificates, etc.

Do you keep paper record of my application?

Your application information will be input to, and held in, our secure electronic database. We will not retain paper record of your application, certificates, etc. this will be securely destroyed within two weeks of your application's approval, withdrawal or expiration of the time period to lodge an appeal.
