### Poster presentations

*Posters presented by first author unless a different author is underlined*

Presentation of papers will begin 10 minutes after the start of each poster session, to allow transit and comfort breaks. Poster sessions are chaired and themed in groups of up to ten posters. Each presenter will give a two–three minute summary of their work followed by a three-minute discussion facilitated by session chairs.

**Poster session 1, Works in Progress Posters: Wednesday 5th September 15.00- 16.00**

**Note:** The works in progress poster session will not be chaired and instead of giving presentations about their posters, authors will stand by their posters and will answer questions.
