

The British  
Psychological Society

Division of  
Occupational Psychology

# International Group

## What we do

The international group acts as a bridge between the DOP and the international arena and our aim is to promote the work of UK occupational psychology around the world and facilitate access for DOP members to international research and practice. We develop and maintain links with international bodies such as the European Association of Work and Organizational Psychology and liaise with professional groups around the globe. We also facilitate international collaboration among academics and practitioners.

## Upcoming international events

- Society for Industrial and Organizational Psychology, Anaheim, California, April 2016
- International Testing Commission, Vancouver, July 2016
- International Congress of Psychology, Yokohama, Japan, July 2016
- European Association of Work and Organizational Psychology, Dublin, May 2017
- International Congress of Applied Psychology, Montreal, June 2018

## How to get involved

We are always very interested in applications for membership to the group or in developing links with DOP members who work internationally. If you would like to join our group of volunteers then please contact us at [DOPvolunteers@bps.org.uk](mailto:DOPvolunteers@bps.org.uk).
