## Frequently asked questions

### Who is eligible for General membership of a Division?

General membership is open to any member or subscriber of the Society who is not eligible for Division Full or In Training membership. If you are eligible for Full or In Training membership please download and complete the relevant form from [www.bps.org.uk/joinmembernetworks](http://www.bps.org.uk/joinmembernetworks).

The General (pre-Training) grade of the DCP is for those currently in a pre-training role (e.g. assistant psychologist, support worker, etc). Upon joining the Division at this grade, you will automatically be included in the Division's Pre-Qualification Group - <http://dcp-prequal.bps.org.uk>

### Why should I join Member Networks?

The Member networks are in place to further members' professional and scientific interests. Benefits include receipt of specialised journals, discounts on registration for events, opportunities to participate in meetings, and much more. Belonging to a Member Network makes your Society membership more relevant to you and you can join as many as you like.

For further information on each Member Network please visit [www.bps.org.uk/member-networks](http://www.bps.org.uk/member-networks)

### Do you keep paper record of my application?

Your application information will be input to, and held in, our secure electronic database. We will not retain paper record of your application, certificates, etc. this will be securely destroyed within two weeks of your application's approval, withdrawal or expiration of the time period to lodge an appeal.

### How much do I need to pay?

Fees and payment methods are shown on the form. If you pay your Society membership fee by Direct Debit the relevant Division/network fee(s) will be taken at the next available quarterly debit run.

**Please note:** The Division's and Network's subscription year runs from January to December and future subscription payments are due in January regardless of when you first joined.

A full year's subscription is always required upon application. If you join between:

- **Jan – June** you will be charged the yearly rate which will all be allocated to this year's subscription.
- **Jul – Sept** you will be charged the yearly rate but half the payment will be carried forward reducing the amount due from you for the following year.
- **Oct – Dec** your full payment will be allocated to the following year.

Membership will renew automatically at the end of each calendar year unless you notify the Society in writing (email accepted) that you wish to discontinue membership. Any balance arising from a change in subscription rates will be due on 1 January immediately following your admission.
