

# Division of Health Psychology Annual Conference

The British  
Psychological Society  
Division of Health Psychology

## DRAFT PROGRAMME v16

Our conference programme is subject to change at any point before or during the conference itself. We are unable to accept responsibility for changes made which are outside of our control.

## Wednesday 5 September

	Plenary	Hillgate	Meeting 1	Meeting 2
09:00 - 12:00	Chair: Shanu Sadhwana Post-Graduate Workshop <b>Creative knowledge mobilisation for early career researchers: Sharing your research with the public</b> Rachel Shaw, DHP Research Lead <i>(Pre-booking required)</i>	Chair: Tim Newton 785 Workshop <b>The Integrative Model of Adjustment to Chronic Conditions; an introduction to clinical application</b> Lis Hammond, Teesside University <i>(Pre-booking required)</i>		
11:30	<b>Lunch &amp; Exhibition - Foyer</b>			
12:30	<b>Welcome by Jo Hart, Division Chair - Plenary</b>			
12:45	<b>Keynote Speaker - Plenary</b> <b>Predicting and changing health behaviour: Current issues and future challenges</b> Professor Paul Norman, University of Sheffield			
13:50	Chair: Jo Hart <u>Digital Interventions, Health &amp; the Workplace</u> 828 <b>Loneliness and Facebook use: the role of social comparison and 815 rumination</b>	Chair: Rachel Shaw Symposium 883 <b>Translating BCTs into Health Professional Competence: A role for the MAP of Behaviour Change?</b> Michelle Clark, NHS Scotland	Chair: Julie Hadayioglu <u>Women &amp; Health</u> 690 <b>First look: Women's initial experiences of seeing their appearance after breast surgery</b>	Chair: Emily Arden-Close <u>Animals &amp; Health</u> 880 <b>A randomised controlled trial exploring the effect of dog interaction on student emotional wellbeing</b>

	Bridget Dibb, University of Surrey		Philippa Tollow, University of the West of England	Karen Manville, Middlesex University
14:10	835 <b>Walking in a patient's shoes: Evaluation of immersive learning using a digital training intervention</b> Tina Cartwright, University of Westminster	Paper 1 <b>A Route MAP to behaviour change: a mnemonic for mapping BCTs to three routes of change</b> Michelle Clark, NHS Scotland - <i>Presented by Diane Dixon, University of Strathclyde</i>	885 <b>Systematic review evaluating how effective non-medical therapies are for women with endometriosis</b> Clair Dempsey, Centre for Behavioural Science, Coventry University	742 <b>A qualitative survey exploring the relationship between companion pets and their owners' health</b> Michele Andrea Mulqueen, University of Derby
14:30	808 <b>Intervention planning for a digital intervention to reduce risk of diabetic foot re-ulceration</b> Kate Greenwell, University of Southampton	Paper 2 <b>Mapping Health Professional behaviour</b> Michelle Clark, NHS Scotland – <i>Presented by Vivien Swanson, University of Stirling</i>	884 <b>The experience of Polycystic Ovary Syndrome (PCOS) in women of South Asian Origin</b> Atiya Kamal, Birmingham City University	864 <b>Beliefs about antibiotic use in UK livestock: A comparison of veterinarians and farmers</b> Sarah Golding, University of Surrey
14:50	1458 <b>Chronically Successful: Coping with chronic conditions in the workplace</b> Samantha Wilkinson, Ashridge Executive Education at Hult International Business School	Paper 3 <b>Development &amp; evaluation of behaviour change e-module for NHS staff: learning to read MAPs</b> Michelle Clark, NHS Scotland  Paper 4 <b>Reflections of using the MAP Model in training in multidisciplinary contexts</b> Michelle Clark, NHS Scotland – <i>Presented by Vivien Swanson, University of Stirling</i>	878 <b>Testing the acceptability of a digital infant feeding intervention (iFeed) in a primary care setting</b> Naomi Bartle, Coventry University	<b>Public perceptions of antibiotic use: "I don't really understand the science"</b> Margaret Husted, University of Winchester
15:10	<b>Refreshments &amp; Exhibition - Foyer</b>			
15:40	<b>Works in Progress &amp; General Poster Presentations - Foyer</b>			
16:10	Chair: Jo Hart <u>Healthcare Delivery</u> 776 <b>How do fire &amp; rescue service members perceive role expansion to deliver more healthcare services?</b>	Chair: Amy Barabiak Symposium 782 <b>Using the Person-Based Approach throughout development and evaluation of complex interventions</b>	Chair: Wendy Lawrence <u>General</u> 741 *Prize winning abstract* <b>A Foucauldian-inspired Media Framing Analysis of the UK's "employment and support allowance" benefit</b>	Chair: Emily Arden-Close <u>Children &amp; Adolescence</u> 852 <b>How do parents and grandparents with Chronic Kidney Disease talk to children about CKD?</b>

	Jo Hart, University of Manchester – <i>Presented by Daisy Marchant</i>	Philine Harris, University of Southampton – <i>Presented by Kate Greenwell</i>	William Day, Aston University	Heather Buchanan, University of Nottingham
<b>16:30</b>	814 <b>Exploration of Healthcare Professionals' Beliefs for Long-Term Conditions Supported Self- Management</b> Niall Anderson, Hywel Dda University Health Board	Paper 1 <b>Using the Person-Based Approach to create an Online Programme for Cancer Survivors</b> Adele Krusche, University of Southampton	771 <b>Alexithymia's effect on the relationship between adverse childhood experiences and mental health</b> Heather McCuaig Edge, Department of National Defence - Canada	779 <b>Early adolescents' beliefs about sexual-consent negotiation for non- coital sexual activity</b> Jennifer Cassarly, Teesside University
<b>16:50</b>	807 <b>"Finding Meaning and Purpose": A Self-Management Framework for Long Term Neurological Conditions</b> Stephanie Kilinc, Teesside University	Paper 2 <b>Malnutrition in older adults: Systematic, rapid decision-making in intervention development</b> Philine Harris, University of Southampton – <i>presented by Liz Payne</i>	839 <b>Supporting integrated care within primary care: embedding Health Psychology in the core team</b> Hannah Dale, NHS Education for Scotland	834 <b>An exploration of beliefs and attitudes towards food allergy in adolescents without a food allergy</b> Kristina Newman, Aston University
<b>17:10- 17:30</b>	787 <b>Rethinking Antenatal Education: Using theories of behaviour change to reduce infections in pregnancy</b> Tushna Vandrevala, Kingston University London	Paper 3 <b>Developing and testing a smartphone app to promote sun- protection among holidaymakers</b> Angela Rodrigues, Newcastle University	856 <b>Clinical nurse specialists' beliefs about what affects patients' experiences of cancer treatment</b> Sam Cockle, University of Surrey	781 <b>Exploring Health-Related Quality of Life and Health Behaviours in Teens with Sickle Cell Disease</b> Christina Constantinou, Middlesex University
<b>18:00 – 19:00</b>	<b>Networking Wine Reception - Foyer</b> ...Meet the Editors from the British Journal of Health Psychology			

**Work in Progress & General Posters**

1520

**The effectiveness of physical activity interventions in adults with breast cancer: Systematic Review**

Shanara Abdin, University of the West of England – *Presented by Margaret Husted*

1547

**People with a learning disability and carers attitudes towards cancer screening: A systematic review**

Kate Byrnes, Teesside University

1493

**Stress and well-being in the farming community**

Emma Carswell, Ulster University – Presented by Tony Cassidy

850

**The Effect of Perseverative Cognition on Unhealthy Snacking and Somatic Symptoms**

Faye Clancy, The University of Leeds/ School of Psychology

812

**Which alcohol control strategies do young people think are most effective?**

Richard Cooke, University of Liverpool

1614

**Stop Smoking Service: Engagement experiences of individuals with a common mental health condition**

Tracey Dorey, University of Derby

1588

**How does deprivation level influence women's understanding of cervical cancer screening?**

Alison Eadie, University of Stirling

1533

**Can wearing a bicycle helmet really increase risk taking and sensation seeking in adults?**

Tim Gamble

1524

**Dietary patterns in pregnancy and infant birth weight outcomes: The Grown in Wales cohort**

Samantha Garay, Cardiff University

689

**A qualitative study of European healthcare policymakers' approaches to frailty management.**

Holly Gwyther, Lancaster University

1551

**Brief Behavioural Activation in a Rural Health Improvement Context**

Astryd Jamieson, NHS Shetland

1521

**Lung cancer patients' perceived barriers and facilitators towards exercise: A Q- Methodology study.**

Salma Kadiri, University Hospital Birmingham

1401

**Towards developing a cervical screening informed choice tool for women with SMI: A systematic review**

Frederique Lamontagne-Godwin, University of West London, School of Human and Social Sciences

1611

**Let's Talk About Sex! Communicating Sex and Relationship Education in a Primary Setting**

Bernadette Danielle Marron, Teesside University

1584

**Developing and embedding interventions to enhance student wellbeing**

Michelle Mathieson, Liverpool John Moores University – *Presented by Caroline Brett*

1518

**Vicarious Post-Traumatic Growth; A Psychological Sequelae of Working in Oncological Services**

Debbie Mills, Cardiff University

1617

**Patient Experience of a Compassion Based Group Intervention for Persistent Pain**

Chris Penlington, Newcastle University

343

**Efficacy and Usage of Headspace on Stress and Well-being In a Student Population**

Jessica Proctor, UCL

1591

**Compensatory Roles of Physical Activity on the link between Cardiometabolic Syndrome and Dementia**

Jessica Proctor, UCL

1430

**Exploring patient reported outcomes of the Heart Manual programme in relation to current guidelines**

Hannah Ranaldi, NHS Lothian - The Heart Manual

881

**A little bit of Headspace goes a long way: Effects of a mindfulness intervention on men’s wellbeing**

Cenay Said, University of Westminster

**Thursday 6 September**

	<b>Plenary</b>	<b>Hillgate</b>	<b>Meeting 1</b>	<b>Meeting 2</b>
<b>09:00</b>	Chair: Amy Barabiak <u>Cancer</u> 915 <b>Quality of life &amp; decision-making in women offered fertility preservation prior to cancer treatment</b> Katharina Vogt, Leeds Beckett University	Chair: Tim Newton 772 Symposium <b>Studying Psychological Processes at the Individual Level</b> Suzanne McDonald, Newcastle University  Paper 1 <b>How Have N-of-1 Methods Been Used to Study Fatigue Symptoms? A Systematic Review</b>	Chair: Shanu Sadhwana <u>Long Term Conditions</u> 877 <b>The effect of self-regulatory fatigue and pain self-efficacy on self-regulation in chronic pain</b> Gail McMillan, University of Strathclyde	Chair: Wendy Lawrence <u>Health &amp; Illness</u> 855 <b>Fatigue in prevalent haemodialysis patients predicts all-cause mortality and kidney transplantation</b> Federica Picariello, King's College London – <i>presented by Joseph Chilcot</i>
<b>09:20</b>	851 <b>The impact on clinical nurse specialists of caring for cancer patients: A qualitative study</b> Sam Cockle, University of Surrey	Suzanne McDonald Institute of Health & Society, Newcastle	783 <b>The Patient Activation Measure and adherence in adults with Cystic Fibrosis: A think-aloud study</b> Madelynn Arden, Sheffield Hallam University	774 <b>The experience of being a parent receiving haemodialysis treatment: A qualitative study</b> Maria Tziggili, City University, London & Barts Health
<b>09:40</b>	827 <b>Psychological implications of routine HPV testing in cervical cancer screening</b> Emily McBride, University College London	Paper 2 *Prize winning abstract* <b>Direction of Relationship between Smoking and Self-efficacy during a Quit Attempt: An N-of-1 Study</b> Felix Naughton, University of East Anglia	840 <b>The impact of facial dystonia on quality of life and factors determining quality of life</b> Sadie Lawes-Wickwar (née Wickwar), City, University of London	682 <b>Expressed Emotion in relatives of people with dementia predicts increased relative burden &amp; distress</b> Roxanne Safavi, University of Manchester – <i>Presented by Alison Wearden</i>
<b>10:00</b>	803 <b>“No one thinks, Oh it could be a brain tumour”. Implications for public awareness and GP education</b>	Paper 3 <b>Within-person Variation in Motivation and Self-efficacy Explain Changes in Daily Physical Activity</b> Johanna Nurmi, University of Helsinki	838 <b>Examining the effect of acquired limb loss on the family network: A grounded theory study</b> Sophie Mitchell, University of Essex	786 <b>Using self-efficacy to support people with dementia</b> Alison Killen, Staffordshire University

	Fiona Walter, University of Cambridge – <i>Presented by Suzanne Scott, King’s College London</i>	Paper 4 <b>Single Item Measures in EMA Diary Studies: Attempts to Establish Psychometric Properties</b> Marie Johnson, University of Aberdeen  Discussant: Derek Johnston, University of Aberdeen		
10:20	766 <b>Barriers &amp; successes to implementation of the HOPE Programme for people living with &amp; beyond cancer</b> Gemma Pearce, Coventry University		874 <b>Quality of Life in Adults with Atopic Dermatitis: A Thematic Analysis</b> Rebecca Knibb, Aston University – <i>Presented by Gurkiran Birdi</i>	688 <b>Supporting &amp; sustaining care at home: Experiences of daughters who support a parent with dementia</b> Gillian Smith, Staffordshire University
10:40	<b>Refreshments &amp; Exhibition - Foyer</b>			
11:10	Chair: Heather Semper <u>Stress, Social Support &amp; Wellbeing</u> 869 <b>Adaptation of an online social-support tool for people with Type 1 diabetes: A qualitative study</b> Claire Reidy, University of Southampton	Chair: Koula Asimakopoulou <u>Health in Practice</u> 746 <b>Improving Cardiovascular Disease Risk Communication in Health Checks</b> Victoria Riley, Staffordshire University	Chair: Caroline Brett <u>From Romance to Breastfeeding</u> 800 <b>Initial Validation of the CAR Romantic Relationships and Intimacy Scale (CARRIS)</b> Nicholas Sharratt, The Centre for Appearance Research, University of the West of England – <i>Presented by Elizabeth Jenkinson</i>	Chair: Karen Rodham 799 Workshop <b>Implementing behaviour change skills training in pharmacies to improve their Stop Smoking Services</b> Sandra Jumbe, Queen Mary University of London

<b>15:40</b>	<b>Refreshments &amp; Exhibition - Foyer</b>			
<b>16:10</b>	<b>General Posters - Foyer</b>			
<b>16:40</b>	<b>Keynote Speaker - Plenary</b> <b>Karōshi: Effects of Stress on Health and Wellbeing</b> Professor Daryl O'Connor, University Leeds			<b>SPONSORED BY WILEY</b>
<b>19:30</b>	<b>Pre-dinner drinks &amp; Conference dinner - Sage Newcastle Gateshead (<i>pre-booked only</i>)</b>			

### General Posters

1544

**Social cognitive theory based healthy eating interventions for adults with learning disabilities**

Kiran Bains, City University of London

1471

**Personality and Wellbeing through Badminton: Understanding Experiences of Older Players in HK and UK**

Bill Chan, The University of Edinburgh

1633

**What BCTs have been used in automated patient contact interventions to improve medication adherence?**

Gemma Donovan, University of Sunderland

1150

**The impact of osteopathy on co-morbid health psychological outcomes associated with pain**

Darren Edwards, Swansea University

1457

**Risk COmmunication in NHS Health Check: The RICO study**

Christopher Gidlow, Staffordshire University – *Presented by Lisa Cowap*

1433

**Young women's beliefs about and attitudes towards cervical cancer and screening participation**

Samantha Groves, University of Manchester

691

**A realist review to understand the efficacy and outcomes of European frailty interventions.**

Holly Gwyther, Lancaster University

1613

**Post-diagnosis weight change in coeliac disease: Relationship with BMI and weight loss intentions**

Elizabeth Hogg, Newcastle University

1610

**Different impact of support exchange with kin and non-kin on the self-perception of aging**

Cyrus Lap Kwan Leung, City University of Hong Kong

1485

**Developing an online intervention for help-seeking in people with lung cancer symptoms**

Julia Mueller, University of Manchester

1432

**Somatic pain, attachment style, childhood trauma, self-compassion and depersonalisation in young adults**

Cathal Ó Curraoin, National University of Ireland, Galway

1323

**Development of a Digital Intervention to Improve Adolescent Sleep Quality**

Shokraneh Oftadeh Moghadam, University of Winchester

1615

**An Intervention Applying Self-Affirmations, Implementation Intentions and Priming To Reduce Smoking**

Michael Palumbo, University of Derby

703

**Exploring environmental volunteers' perceptions of health**

Valentine Seymour, University College London

1589

**Looking beyond the patient in post-brain injury fatigue: partners experiences and support needs**

Harriet Smith, The University of the West of England

1366

**Increasing student participation in sport using behaviour change techniques, reasons, and solutions**

Tom St Quinton, Leeds Trinity University

1442

**Embodied perception after stroke: An interpretive phenomenological analysis**

Hannah Stott, University of the West of England

1609

**Development of an online RCT of a narrative persuasion intervention for HIV prevention among MSM**

Meiqi Xin, The Chinese University of Hong Kong

**Friday 7 September**

	<b>Plenary</b>	<b>Hillgate</b>	<b>Meeting 1</b>	<b>Meeting 2</b>
<b>09:30</b>	Chair: Sadie Wickwar <u>Body, diet and health issues</u> 849 <b>How fat am I? Students' perceptions of being overweight</b> Janine Carroll, University of Chester – <i>Presented by Hannah Heath</i>	<b>Bridging the gap: Researchers &amp; Practitioners moving forward together</b> Wendy Lawrence, DHP Practitioner Lead Rachel Shaw, DHP Research Lead	Chair: Caroline Brett 831 Symposium <b>Supporting self-management of diabetes: Applied health psychology interventions and evaluation</b> Hannah Dale, NHS Education for Scotland	Chair: Tony Cassidy 596 Workshop <b>Developing an impact-literate approach to health psychology interventions</b> Julie Bayley, University of Lincoln
<b>09:50</b>	837 <b>Super Snack Swappers: Promoting behaviour change in children's theory-based healthy eating workshops</b> Lisa Cowap, Staffordshire University		Paper 1 <b>Effectiveness and acceptability of a diabetes self-management group in The State Hospital</b> Claire Borthwick, The State Hospital	
<b>10:10</b>	820 <b>A theory based intervention on shared family meal frequency in a disadvantaged social class</b> Joanne Dunnett, Teeside University		Paper 2 <b>Combined Health Psychology and Physical Activity Intervention for Low-Activity Type 2 Diabetes</b>	

<b>10:30</b>	597 <b>Consumer misinterpretations of verbal nutrition quantities</b> Dawn Liu, University of Essex		Niall Anderson, Hywel Dda University Health Board	
<b>10:50</b>	802*Prize winning abstract* <b>Impact of glass shape on time taken to drink a soft drink: A laboratory-based experiment</b> Tess Langfield, University of Cambridge		Paper 3 <b>Delivering a tailored health psychology diabetes self-management intervention: A case study approach</b> Corina Mason, NHS Lothian	
<b>11:10</b>	792 <b>The psychological and physical health predictors of body image in adults with coeliac disease</b> Sally Tulip, School of Psychology, Faculty of Medical Sciences, Newcastle University		Paper 4 <b>Increasing patient involvement in diabetes foot treatment decisions: A pilot RCT</b> Emily McBride, University College London	
<b>11:30</b>	<b>Refreshments - Foyer</b>			
<b>11:40</b>	<b>Health Psychology in Action &amp; General Posters - Foyer</b>			
<b>12:10</b>	<b>Keynote Speaker - Plenary</b> <b>Appearance Matters in Oncology: The role of body image and appearance, from cancer screening through to survivorship</b> Professor Diana Harcourt, Director, Centre for Appearance Research, University of the West of England			
<b>13:10</b>	<b>Awards &amp; Conference Close - Plenary</b>			
<b>13:15 onwards</b>	<b>Grab &amp; Go lunch</b>			

### Health Psychology in Action & General Posters

1618

**A qualitative evaluation of an individualised yoga therapy intervention for rheumatoid arthritis**

Margaret Cahill, University of Westminster

1571

**Interventions to increase physical activity in young people living with and beyond cancer**

Ainslea Cross, University of Derby

819

**The design and implementation of a group-based smoking cessation intervention for offenders**

Stephanie Dugdale, Breaking Free Group

818

**A school embedded stress management intervention using mindfulness and schema therapy techniques**

Joanne Dunnett, Teesside University

1464

**Training healthcare providers on behaviour change to promote physical activity for Type 2 diabetics**

Emma Gibson, Birmingham City University

1337

**Identifying factors associated with Treatment Non-Adherence in Paediatric Growth Hormone Deficiency**

Selina Graham, King's College London

1536

**The Integrative Model of Adjustment to Chronic Conditions; applicability to adult onset epilepsy**

Lis Hammond, Teesside University

1532

**Exploring the experiences of nurses in Psychiatric Intensive Care Units: A qualitative approach**

Lisa Hatton, Newman University: Department of Health & Behavioural Sciences

1627

**From Laboratory to Layperson: Bridging the translational gap from University to healthcare providers**

Alice Kennedy, Leeds Trinity University

1519

**Physical activity for mental health: Views of Southwark IAPT service users**

Victoria Lawson, Talking Therapies Southwark – *Presented by Ester Lee*

1522

**Barriers and facilitators to physical activity for adults with breast cancer: A meta-synthesis**

Jacqueline Lavallée, University of Manchester - *Presented by Margaret Husted*

739

**Social exclusion and well-being in older adults in rural and urban areas**

Kevin McKee, Dalarna University

1408

**Organisational justice as risk factor of chronic pain among male and female employees**

Joanna L. McParland, Glasgow Caledonian University

1399

**Conception by Egg Donation: Maternal Attachment, Locus of Control and Health Practices**

Manijeh Pir Jalian, Middlesex University

1561

**Primary Care nurses' role regarding cancer early diagnosis: A systematic mixed method review**

Hanna Skrobanski, University of Surrey

1538

**The mealtime experience of families affected by Prader-Willi Syndrome: A photovoice study**

Erin Turner, Keele University

1612

**Lived experiences of routine cervical screening participation in areas of low socio-economic status**

Angela Wearn, Northumbria University

1583

**"You're just stuck there"- metaphors people use to talk about stress**

Agata Wezyk, Bournemouth University

1630

**Development of a digital healthy snacking intervention for Chinese overweight adolescents**

Qian Zhang, University of Leeds
