

DHP Distinguished Contribution to Health Psychology Award 2021

Overview

This award is aimed at Division of Health Psychology members whose work has made an outstanding and lasting contribution to the discipline of health psychology and for the benefit of individuals, communities, stakeholders or organisations. This award will likely be made to a psychologist in mid to late career, and nominees should not be within 10 years of the start of their training in health psychology (e.g. Stage 1/ Grand-parenting). Please see criteria for the Excellence in Health Psychology Early Career Award for awards to individuals who are early career.

Types of nominations

Nominations can be made either by or on behalf of a psychologist who works in the area of health psychology.

Nominator can be anyone; Nominations are not limited to UK residents and need not be from Society/DHP members.

Self-nominations will be accepted; however, an two references will be required.

Entry criteria

Nominees for the Distinguished Contribution to Health Psychology award should be:

- 1) Current or retired Health Psychologists or psychologists working in health psychology.
- 2) Members of the Division of Health Psychology (DHP)
- 3) Must be ten active years post the beginning of training/work in health psychology

Please note the term “active” is intended to exclude any period of career break and is full-time equivalent
